Better Together

2021 Mary E. Pettus Excellence in Public Policy Award

- Promotes effective, efficient, and sufficient behavioral health and family services to Ohio's communities.
- Advocates for effective services to Ohio's most disabled and vulnerable children and adults who require behavioral health and family services.
- Supports and enhances the partnership among clinicians, families, and consumers.
- Advocates for public policy that focuses on system changes that add value to services for people.
- Promotes policy, legislative, and regulatory solutions that focus on addressing the impact of increasing service demand, resource constraints, and regulatory/compliance demands.
- Promotes the development of fair-exchange public-private partnerships that bring the best skills, expertise, and knowledge together to enhance the delivery of high-quality behavioral health and family services.
